Science

The children will be learning about themselves, the 5 senses and the seasons.

Overview

We begin this term's topic 'Down Our Street' by learning about ourselves and the 5 senses. We will be learning rhymes about our bodies and our hand hygiene. In Jigsaw and history we will be looking and talking about our families and how we have changed. In Geography we will be learning about homes, the local area and looking at maps. We will also be finding out about Autumn and learning about Guy Fawkes. We will end the term learning about Christianity and The Nativity.

British Values

- Mutual respect - Respecting ourselves and others
- Learning about different faiths - Christianity and visiting a church.
- Following our class/school rules

Religious Education

The children will be learning about:

- Belonging to Christianity - places of worship
- Christian stories

Maths

The children will be learning to:

- Count, read, order and write numbers to 100
- Sequence time and events
- Identify the properties of 2D and 3D shapes
- Complete simple addition - adding 2/3 numbers, adding 1 more within 10
- Know their number bonds up to 10 and 20
- Subtract - 1 less and within 10
- Number bonds - 5 and 10
- Solve mixed addition and subtraction problems (inverse)
- Use money - addition and subtraction, giving change and problem solving
- Recognise patterns, e.g. counting in 2's, 5's and 10's

English

The children will be learning about:

- Fiction - 'Pumpkin Soup' and 'The 3 Little Pigs'
- Non-fiction - instructions
- Labels and captions
- Reading poems about ourselves, autumn and the senses
- Handwriting - forming letters correctly and sitting the letters on the handwriting lines

PE

- Gymnastics - the children will be learning about space awareness and different ways of moving
- Games - the children will be learning about throwing, catching and rolling a ball.
